

REMARKS

Upon entry of the present amendment, the claims in the application are claims 1-17, of which claims 1 and 11 are independent.

The present Preliminary Amendment is being voluntarily submitted prior to examination in order to correct a minor grammatical error in the claims. Applicant respectfully submits that all of the amendments are fully supported by the original disclosure.

In addition, a notation error was made in the Preliminary Amendment A filed on 20 September 2005, in which the word "second" was added to replace the word "other" in each of claims 4, 5, 7, 8, and 9. Although the deleted word "other" was provided with strikethrough, the added word "second" was erroneously not underlined. This error was inadvertent and without malicious intent.

Favorable consideration is respectfully requested.

Respectfully submitted,
